# A BRILLIANT NIGHT

The scene at Boston's State Room was set with sumptuous decor and dramatic views of the Boston skyline as New England's residential design community came together for the eighth annual New England Design Hall of Fame Gala. Following a spirited cocktail hour, guests settled in for dinner, and the awards ceremony kicked off with a presentation of the 2014 New England Design Hall of Fame Scholarship Fund to the Housing Design Studio at Northeastern University's School of Architecture. Our homes editor, Stacy Kunstel, was emcee for the night, and the cheers were enthusiastic as she presented awards to the 2014 inductees: architects Douglas Dick, Treffle LaFleche, and Dinyar Wadia; interior designers Jim Gauthier, Susan Stacy, and Christina Oliver; and kitchen designer Rosemary Porto.
