THE TENTH ANNUAL
NEW ENGLAND DESIGN HALL OF FAME
AWARDS AND GALA

TEN YEARS AND COUNTING!

On a crisp November evening, hundreds of guests gathered at downtown Boston's State Room to savor seasonal fare and cocktails, enjoy the vistas of the lit-up skyline, and, of course, honor this year's class of New England Design Hall of Fame inductees. First came the cocktail hour, where the movers and shakers of our region's residential design industry mingled and enjoyed the themed photo booth. Next up came the introduction, where Dean Stephen White of Roger Williams University graciously accepted *New England Home's* donation to the New England Design Hall of Fame Scholarship Fund, followed by our tenth annual dinner and awards ceremony emceed by our very own Stacy Kunstel. The entire evening was beautifully, uniquely, and elegantly decorated courtesy of Winston Flowers.

This year we celebrated and inducted Michael Carter of Carter & Company, Boston; Anne Lacouture Penniman of Anne Penniman Associates, Essex, Connecticut; Charles F. Hilton of Charles Hilton Architects, Greenwich, Connecticut; John R. DaSilva of Polhemus Savery DaSilva Architects Builders, East Harwich, Massachusetts; Joeb Moore of Joeb Moore & Partners, Greenwich, Connecticut; Kenneth Vona Construction, Waltham, Massachusetts; and Woodmeister Master Builders, Holden, Massachusetts. •
